

2019 Subject Selection Information Evening

Dear Parents and Caregivers,

Erina High School extends an invitation to all parents, caregivers and students in both Year 8 and Year 10 to attend our Subject Selection Information Evening. The evening is designed to provide information on subject availability and guide students and their families in appropriate subject selection for the future years study in 2019.

The evening will be broken into two one hour sessions, with the Year 8 students and families required at 6pm and year 10 students and families at 7.15pm.

Date:	Thursday, 16th August 2018
Time:	YEAR 8 Students 6:00pm – 7:00pm YEAR 10 Students 7:15pm – 8:30pm
Venue:	Erina High School MPC

In an effort to make subject selection clearer and easier to understand, your son/daughter will be given access to the Subject Selection booklet for their relevant year group. We strongly encourage parents to go through this booklet with their student. It is important that both parents and students discuss this booklet. The booklet will be accessed through the student and parent portal and on the school's website. This will be released in the first week of term 3.

During the school day of Thursday 16th August, students will be given the opportunity to listen to information on all courses being offered for 2018. This will be facilitated by faculty representatives and give detailed advice on all subjects offered within the faculty. The aim of this day session is to raise awareness of options and generate potential interest for students. Parents/ guardians and students are encouraged to attend the subject selection evening armed with any questions they may have. The evening starts at 6pm in the MPC.

Students will make course selections online and provide a printed copy of their choices signed by a parent/guardian to the relevant Deputy Principal. Year 8 students to Mr Brailey and Year 10 to Mr Mallon by 24th August (Friday week 5).

Our Year 10 students will be interviewed regarding the subjects they have chosen, and the future outcome(s) they are striving for between the 3rd September and 14th September by the careers and transition team.

The school's website will have further information regarding subject selections, including the introduction booklet and the entire Senior Subject Prospectus for those looking for more detailed information. Your sons/daughters are strongly encouraged to speak with the Careers and Transition team and their subject's teachers about options for 2019.

Mrs K Nicol
Principal

Mr G Mallon
Deputy Principal Y10-12

Mr D Brailey
Deputy Principal Y7-9
