Message from the Principal

Where has the term gone?? It has been very hectic at Erina and keeping up with our fantastic students as they continue to excel and strive towards their personal best. I am sure staff and students deserve a well earned break as we move closer to the Spring vacation in September.

I was delighted to attend the Gosford/ Wyong Network Public Education Awards on August 24, where schools have an opportunity to nominate the unsung heroes of our community that strongly support public education within their local schools. Erina High School had three amazing nominees that were truly worthy recipients of this prestigious award.

Mr Bob Wellham for his exceptional commitment to public education over a career expanding over 35 years. He was a gifted Head Teacher Mathematics at Erina High School and also worked at a regional level as a Mathematics consultant. Mr Wellham is now enjoying retirement after an impressive career in public education instilling the love and relevance of mathematics to so many students and supporting the career development of so many staff in his faculty.

Mrs Robyne Miller for her extensive work at Erina High School as a PDHPE Teacher for over 30 years before retiring. She now works back at Erina as Norta Norta tutor supporting our Aboriginal students in their pursuit of positive educational outcomes. Mrs Miller works tirelessly to provide tuition to complement class work, access school to work opportunities through work experience programs and community links. She is passionate about improving the educational experiences for Aboriginal students to ensure their life outcomes match those of the broader population.

Mrs Joy Cooper our long standing president of the EHS P&C for her extensive work at EHS as a passionate ambassador dedicated to ensuring EHS have the best educational facilities and resources to enhance the learning environment of our staff and students. Through her many school working bees, Wednesday weeders and constant lobbying to access funding to improve our school her efforts are appreciated by our school community.

It has been an exciting time for our year 11 students as applications were received for the 2016 senior leadership team. We are so proud to announce we have 19 incredible young people who have been accepted onto the team as a result of their exceptional leadership skills. To nominate for the position of Captain students were required to present a 90 second speech on the topic "Education opens doors Erina has done this for me...." we had 13 nominees who each presented the most amazing speech and were all very worthy candidates. I am pleased to announce that the Captains for 2016 are Josh McRohan- Quensell and Ainslea White supported by our Vice Captains Lindsay Pike and Nischala Mc Donnell fantastic young leaders who I know will be strong advocates for their school and be the voice of the student population at Erina.

Congratulations to the rest of the senior leadership team who will do a terrific job of leading the students at Erina. Jack Mayne, Nicholas Langthorne, John Gibson, Ethan Howard, Jasmine Carobott, Kirsten Mc Intosh, Olivia Mostaert, Aimee Crosland, Celine Carecellar, Taleah Kirkman, Leticia Lihou, Katherine Fletcher, Jade Boland, Emerald Betteridge and Tara Cruickshank.

Congratulations to the year 12 HSC music students as they performed at a café in Wamberal a couple of weeks ago. It was a fabulous night show casing the amazing talent of our music students. Thank you to Mrs Broadley and Mr Lowe for the organising and providing such a great opportunity for our students. And to our many parents who supported the night as a great audience.

Our talented Year 10 Textile students continue to excel. I was suitable impressed with India Jacobs gorgeous hand crafted culturally inspired cushion and Sydney Oliff's cute felt animal with the tiniest intricate details for the toy unit. Well done girls !!

As the term comes to an end I would like to wish our 2015 Year 12 students all the very best of luck in the upcoming HSC exams. They have worked incredibly hard and after 13 years of education they sit their final exams. On behalf of the school community I wish them every success now and in the future and always be proud to have been a student at Erina High School.

Our Year 11 students commence their preliminary exams this week and I also wish them the best of luck as they complete this stage of the senior school and gear up ready to commence the HSC course early next term.

Thank you all of our staff for their hard work throughout the term and especially to our HSC teachers who have ensured our students are well prepared for the final exams.

Enjoy the break and take the opportunity to spend time with family and friends and be proud to be a member of the Erina Learning Community.

School resumes on Tuesday October 6 for all staff and students. We do not have a school development day at the start of the term 4, as it is held at the end of the term on Thursday December 17 which is a student free day. Term 4 for students concludes on Wednesday December 16.

Yours sincerely
Karen Nicol

ENGLISH

The staff of the English/Drama Faculty would like to congratulate our Year 12 students as they approach the end of their schooling and move toward their Higher School Certificate examinations. Thanks go to our Year 12 teachers for the thorough preparation they have offered students, and for the many hours they have spent editing student responses in order to assist them with their writing. We look forward to hearing of our students' success as they continue their education or join the workforce. They will be missed.

Our Year 12 Drama students showcased their performances for the examiners on Tuesday and Wednesday of Week 7. Thanks go to Ms Kearney for the effort she has put into preparing these students and Ms Johnson for helping during the process.

Year 11 Advanced and Standard students are preparing for their Yearly examinations in Week 9. Students have been issued the questions they will be required to answer in the exam, which has enabled them to prepare quality responses. Students are reminded that they will need to arrive to class with their relevant materials in order to revise the specific modules as specified by their teachers.

Junior English classes are currently working through their study of a range of texts for their Area of Study modules. This unit requires them to engage with literary and visual texts related to a particular theme. Year 7 students are examining "Fear" while Year 8 are learning about the "Multicultural Australia". Year 9 are studying the "Aboriginal Experience" and our Year 10 students are examining "Power". In Term 4 students will be required to construct essays explain how composers have created meaning in their texts through the use of techniques. Students have the questions in their course handbooks and will work during lessons to prepare their responses. Teachers will edit these which will be advantageous for students as they may then incorporate the feedback they receive to develop their work. Drama students in Year 10 have begun their study of Kabuki Theatre, while Year 9 students are working on developing their performance skills.

Year 10 students have been given advice regarding subject selection for 2015. Teachers have suggested to students the most appropriate English course for them to study, but any further enquiries are welcome. Year 8 students have also completed their subject selections and we look forward to offering them the study of amazing texts in the compulsory English course and Drama in the elective classes.

Year 11 and 12 English and Drama students were fortunate to see Sydney Theatre Company's production of Macbeth on Monday of Week 7 at Laycock St Theatre. The performance was entertaining and this experience has highlighted theatrical aspects of the play which will be beneficial to students' understanding and give them further insight into these elements.

Year 11 Drama students were lucky to view the Sydney Theatre Company's production The Present on September 3, featuring Cate Blanchett and Richard Roxburgh. This was a wonderful opportunity for students to see some of our country's finest and most renowned actors on stage and we are all envious of this!

Please don't hesitate to contact your child's teacher if you have any concern regarding their progress in English or Drama.

Head Teacher English

INFORMATION TECHNOLOGY

Erina High School will be implementing a new system for advising parents of student absences starting in Term 4 2015. The system which is integrated with our administration software will notify parents of whole day absences via SMS message. Parents will be able to provide reasons for absences by replying to the SMS messages. It is envisaged that this technology will be faster and more efficient for both parents and EHS administration staff as well as a cost saving measure for the school.

It very is important that parents ensure the school has current and accurate mobile phone details on file to guarantee a successful rollout of this technology. If you need to update your mobile phone details please contact the administration office on 43677353. For those parents who do not have access to a mobile phone the existing practice of sending absence letters home will continue and students can continue to submit notes explaining absences to the office.

If you have any questions relating to the new system please do not hesitate to contact me via phone or email jeremy.rennex@det.nsw.edu.au

Year 7 & 8 Netball Gala Day

On 21st August, Erina High School competed in a Netball Gala Day at Adcock Park. There were 31 teams took part in the competition making it a very interesting day.

In the first game we played Pennant Hills High School and won the game convincingly. Game 2 saw us annihilate Mosman 14-0. In Game 3 we played Wyong and won again - we were on a roll!!! Games 4, 5 and 6 saw us compete against some strong Northern Beaches competition and we lost all 3 games. We redeemed ourselves in the 7th game against Henry Kendall High School. The quarter finals saw us take on the strong Wadalba side where we lost but won again in the semi finals against Hornsby High.

The girls played really well as a team and enjoyed their sense of achievement.

Under 15 Boys Basketball

Erina High v Pennant Hills High
Final score - 35 to 30

The under 15 boys basketball team travelled away from home for the second time in a row. The boys played Pennant Hills High at Brick Pit Stadium in Thornleigh.

The game saw Erina start with a few quick baskets to put them in healthy lead at the end of the first quarter.

Pennant Hills started to play some good offence and they put some good points on the board during the second and third quarters, although their points weren't enough to put them in the lead. During the final quarter the boys rallied in defence and finished the game with a well deserved win.

The team was lead by the captain, Lachlan Bathis, and Declan Kennedy, both showing excellent leadership skills at practice and during the game.

The team consisted of:

Lachlan Bathis (Captain)
Declan Kennedy
Rylee Walton
Dylan Hall
Alec Doolan
Matt Cahill
Chad Coffey
Jack Ogle
Brad Jay

Round three awards:
Players player: Alec Doolan
Coaches award: Matt Cahill

Erina High School Oz-Tag

Congratulations to our Year 9/10 and Opens Boys and Girls Oz-Tag Teams who recently competed in the Central Coast All Schools Oz-Tag competition held at Doyalson. Over 65 teams from across the coast came together for the biggest ever competition to be held at one venue in Central Coast Oz-Tag history.

Our Year 9/10 Girls side came into the tournament with half the side never playing Oz-Tag before, but led by veterans Janai Edwards and Kim Meyer. The girls improved in every game and secured an excellent win against Tumby Umbi.

The Open Girls side were unfortunately hampered by their trial HSC which meant very little training. Helaina Wellington scored multiple tries throughout the day, Tahleah Kirkman was tough in defence and Demi Prentice demonstrated great footwork.

The Open Boys side also came into the gala day with little preparation but after a slow start the boys pulled together as a team and picked up some great wins against Wyong, Narara and Brisbane Water. Jesse Robson led the day with some outstanding tags and Jameson Flynn displayed great pace and determination to be the leading try scorer. The boys performed so well they made it into the semi finals but were unfortunately beaten by Mackillop in a very close match.

Our Year 9/10 Boys side were struggling during training but on the day played some excellent structured, fast tempo footy. Blake Irwin made some excellent diving tags and Kane Douch led the boys around the field with some outstanding passing. The boys won all their pool games against Berkeley Vale, Kincumber, Brisbane Water and NG Central and then went onto the semi finals. The semi was played against Terrigal and after a slow start our boys made a great comeback but unfortunately were one left try short.

Congratulations to all of the players involved in the gala day. All students played the games in great spirit and represented Erina with pride. Both our boys sides finished in the top 4 with each competition starting with 18 sides. A great effort. Well done to all involved.

VISUAL ARTS REPORT

Indigenous Memory Garden

Over the last 10 weeks under the guidance and tutelage of Dr Byrnes and Mrs Ruming, Year 10 Visual Arts students worked on establishing an Indigenous Memory Garden in the school's Agricultural farm. Teaching and Learning programs were modified to complete tasks as part of the Cultural Encounters unit of study. It has taken 10 weeks to complete and was designed specifically for that space.

What an amazing space! Congratulations to all students and staff involved in the project.

Dear Parent or Caregiver

Please find attached a report on your child's performance in the National Assessment Program – Literacy and Numeracy (NAPLAN) tests, held on 12–14 May 2015.

NAPLAN assesses aspects of literacy including reading, spelling, punctuation and grammar and writing, as well as numeracy.

The results are shown in skill bands which indicate levels of achievement. The report shows the national average and the school's average and will allow you to see how your child's performance compares with that of others who completed the NAPLAN tests.

NAPLAN tests provide schools with valuable information on the literacy and numeracy skills of children that are essential for ongoing learning.

The NAPLAN results assist teachers in your child's school to better assess each student's performance and to take action to improve their literacy and numeracy skills.

Additional information to assist in understanding your child's test results can be found at www.nap.edu.au/Test_Results/Student_reports/index.html and at www.boardofstudies.nsw.edu.au/naplan.
