Message from the Principal

REMEMBRANCE DAY

Congratulations to our School Captains Jarrod Clark and Rheeannhyn Waters for their very moving address at the Tarragal Glen Remembrance Day service. They delivered a heartfelt speech on what Remembrance Day means to young Australians as we commemorate the 101 anniversary of Armistice the most significant world-wide event of the centenary of the Great War. Congratulations to Kara Cannon who was magnificent leading the singing of the National Anthem at the service and to Ms Pennings for accompanying the Tarragal Glenn Choir as a highly skilled pianist. It is both a celebration of peace and a remembrance of service and sacrifice.

VARIETY NIGHT

Wednesday night we hosted EHS Variety Night. An opportunity for our very talented musicians, dancers and drama students to perform and entertain our families. It is testimony to the extraordinary talent of our staff and students to produce such a professional program that highlights the great opportunities our students have to pursue and develop their performing passions. Congratulations to the CAPA team for this fantastic showcase!

YEAR 12 FORMAL

A fitting end to the week with the Yr 12 formal held at Gracelands at Forrester's Beach. What a night of celebration after 13 years of schooling and completion of the HSC exams. Our students looked amazing and ready to take on the world!! Thank you to Mr Bangura and Ms Steele for organising a great event and to the many staff and parents who attended to support Yr 12. I know the school community wish our students every success and look forward to hearing of the big impact they will make in their chosen career pathways. All the very best of luck!!

YEAR 6 LITTLE DAY OUT

EHS proudly hosted Yr 6 Little Day Out on 6 November where students had the opportunity to participate in a range of sporting events facilitated by local sporting groups. Sincere thanks and appreciation to the Sporting Development Officers from NSW Cricket, Local AFL and Netball codes. Congratulations to Mr Keyes and the PE staff for organising the day and to Ms Wilk and Ms Kronja for their support and to Yr 10 PASS students for mentoring the students during each event. A great day was had by everyone!! Thank you to our partner primary staff for joining in!!

DEVASTATING FIRES

I would like to pay tribute to our state emergency services, rural fire service and many volunteers who have displayed enormous courage and bravery as they helped fight catastrophic fires across NSW and protect people and property. The devastation and loss of loved ones that so many people have experienced is heart wrenching and our love and thoughts are with those families. There are many community organisations fund raising and I know our community will give what they can to show we care. These fires were close to home for many of us and a timely reminder to have our own personal safety plan in place as well as ensure students and staff are safe at school. Thank you for your support this week as we navigated some variations to normal school operation. As always I truly value the community's support and confidence knowing that the safety of the children in our care will always be our highest priority.

Enjoy the rest of the term as we all get closer to the finish line and welcome the festive season.

Yours sincerely
